President**

Dear Mr. Mizzi,

Congratulations on your decision to launch the very first edition of the Malta Fashion Week. From what I know of your vast organisational experience, I am sure that your efforts will be rewarded with success that will continue to put Malta firmly on the European map of fashion.

Whilst assuring you of the full support of the European Fashion Council itself, with your permission I shall be informing all other European counterparts about this to bring together additional collaboration from their respective countries. This could be in the form of international exchanges or other forms of direct or indirect cooperation.

Congratulations once again, looking forward to work with you more closely in the new year.
